

*Et Les man faut faire la part des choses*

*Il est grand temps de faire une pause*

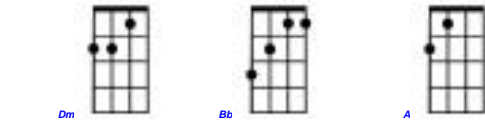

*De troquer cette vie morose*

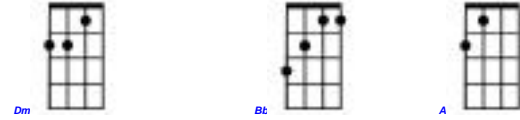

*Contre le parfum d'une rose*

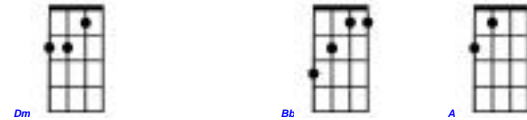

**Refrain :**

*C'est l'hymne de nos campagnes*

*De nos rivières, de nos montagnes*

*De la vie man... du monde animal*

*Crie le bien fort, use tes cordes vocales !*

*Pour le reste, jouer en boucle les accords suivants :*
