

Intro:   

  
I'm lying on the moon

  
My dear, I'll be there soon

  
It's a quiet starry place

 
Time's we're swallowed up

  
In space we're here a million miles away

La meme chose en boucle pour les deux derniers couplets

**There's things I wish I knew
There's no thing I keep from you
It's a dark and shiny place
But with you my dear
I'm safe and we're a million miles away**

**We're lying on the moon
It's a perfect afternoon
Your shadow follows me all day
Making sure I'm okay and
We're a million miles away**
