

C

When the days are cold

G

And the cards all fold

Am

And the saints we see

F

Are all made of gold

C

When your dreams all fail

G

And the ones we hail

Am

Are the worst of all

F

C

And the blood's run stale

G

I want to hide the truth

Am

I want to shelter you

But with the beast inside

There's nowhere we can hide

No matter what we breed

We still are made of greed

This is my kingdom come

This is my kingdom come

When you feel my heat

Look into my eyes

It's where my demons hide

It's where my demons hide

Don't get too close

It's dark inside

It's where my demons hide

It's where my demons hide

When the curtain's call

Is the last of all

When the lights fade out

All the sinners crawl

So they dug your grave

And the masquerade

Am

Will come calling out

F

At the mess you made

C

G

Don't want to let you down

Am

But I am hell bound

F

Though this is all for you

C

Don't want to hide the truth

G

No matter what we breed

Am

We still are made of greed

F

This is my kingdom come

C

This is my kingdom come

When you feel my heat

Look into my eyes

It's where my demons hide

It's where my demons hide

Don't get too close

It's dark inside

It's where my demons hide

It's where my demons hide

They say it's what you make

I say it's up to fate

It's woven in my soul

I need to let you go

Your eyes, they shine so bright

I want to save their light

I can't escape this now

Unless you show me how

When you feel my heat

Look into my eyes

It's where my demons hide

It's where my demons hide

G

Don't get too close

Am

It's dark inside

F

It's where my demons hide

C

(let it ring...)

It's where my demons hide
