

Julien Doré le lac – www.tab-ukulele.com

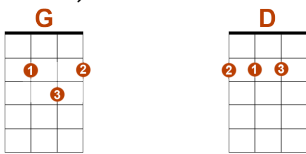

Les accords :

Couplet 1 :

la Madone au Nord, et le lac se dessine

Courageux et fort , où rien ne respire

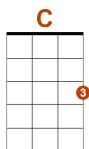

Corps contre corps, ciel contre cimes

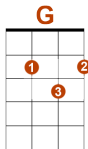

La forêt se tord, l'horizon soupire

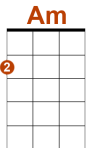

Refrain X2 :

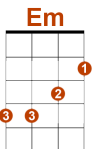

T'aimer sur les bords du lac

Ton coeur sur mon corps qui respire

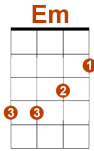

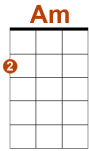

Pourvu que les hommes nous regardent

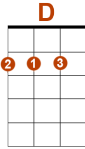

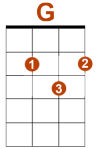

Amoureux de l'ombre et du pire

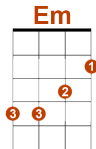

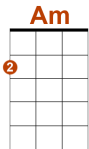

Couplet 2 :

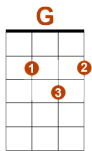

Je reviendrai fort, surprendre la cime

La rivière et l'or, me font prendre racine

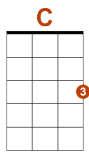

J'ai trompé la mort, la pente est facile

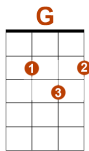

Sers moi encore, que mes anges vacillent

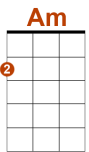

Refrain X2 :

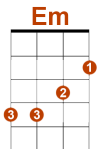

T'aimer sur les bords du lac

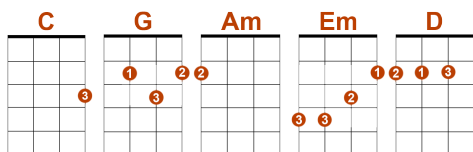

Ton coeur sur mon corps qui respire

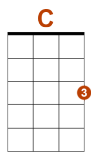

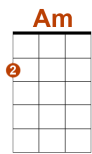

Pourvu que les hommes nous regardent

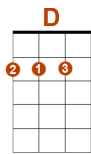

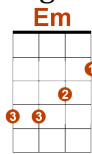

Amoureux de l'ombre et du pire

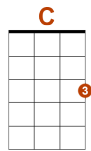

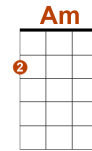

Couplet 3 :

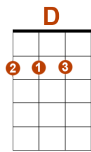

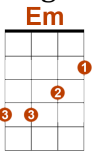

Si demain tu regrettes, le miroir écorché

Que le lac te reflète, promets moi d'oublier

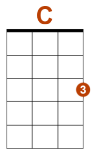

SI demain tu regrettes, le miroir écorché

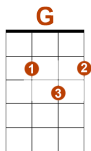

Que le lac te reflète, promets moi d'oublier

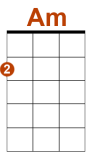

Refrain X2 :

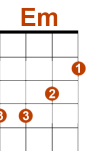

T'aimer sur les bords du lac

Ton coeur sur mon corps qui respire

Pourvu que les hommes nous regardent

Amoureux de l'ombre et du pire
