INTRO :

COUPLET :

Hello , it's me

I was wondering if after all these years you'd like to meet

To go over everything

They say that time's supposed to heal you

But I ain't done much healing

Hello, can you hear me?

I'm in California dreaming about who we used to be

When we were younger and free

I've forgotten how it felt before the world fell at our feet

PRE-REFRAIN :

There's such a difference between us

And a million miles

REFRAIN :

Hello from the other side

I must've called a thousand times

To tell you, I'm sorry for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say I've tried

To tell you I'm sorry for breaking your heart

But it don't matter it clearly doesn't tear you apart anymore

COUPLET :

Hello, how are you?

It's so typical of me to talk about myself, I'm sorry

I hope that you're well

Did you ever make it out of that town where nothing ever happened?

PRE REFRAIN :

It's no secret that the both of us

Are running out of time
